Daylight Saving Time 2015 ends Sunday, November 1st

Don't forget to move your clocks back one hour at 2:00 a.m. on November 1st

Did you know?

Daylight saving was first conceived by Benjamin Franklin his essay, "An Economical Project."

The 2:00 a.m. changeover time was created by the Uniform Time Act of 1966 signed by President Lyndon Johnson. Throughout the years acts have revised the time change event. Currently the United States observes Daylight Saving Time beginning at 2:00 a.m. on the second Sunday of March and ending at 2:00 a.m. on the first Sunday of November.

Prevent Community Littering

There have been many incidents around the property where bottles, cigarettes and food items have been left in common areas. The parking lots, breeze ways and flower beds are not meant for trash. Please pick up after yourselves and dispose of waste properly. There is a bulk item area located next to building 9. This area is specifically for items like furniture, bikes and boxes. All other household trash, including perishable items, are to be disposed in the compactor. Any trash that is improperly disposed of will incur a fine per the lease agreement.
